Owner Name \_\_\_\_\_ Phone # \_\_\_\_\_

Pets Name \_\_\_\_\_ Procedure \_\_\_\_\_

**I verify that my pet has not ingested food or water with the last 12 hours \_\_\_\_\_**

I certify that I own the above described animal and I do hereby consent and authorize the Dakota Veterinary Hospital and its staff to hospitalize my pet and to administer vaccinations, medications, test, anesthetize, treat and/or perform surgical procedures that the Doctors deem necessary for the health, safety, or well-being of the above animal while it is under their care or supervision.

If my pet should injure itself in an escape attempt, refuse food, soil itself, become ill or die while in the hospital, I will hold the Dakota Veterinary Hospital and staff free of any responsibility and/or liability in the absence of gross negligence.

**I further realize that I am responsible for payment for the above procedures and treatments in full at the time the animal is discharged.** If I neglect to pick up the animal within five days of written notice that it is ready for release and mailed to my address, you may assume that the pet is abandoned.
